

We are a family of 250 people with experience and knowledge for over 44 years experience producing polypropylene, polyester, acrylic and cotton with or without non-slip backing , natural latex backing, dot backing, polyurethane backing and cotton backing.

With a production capacity of 300.000 m2 per month, it's a company that is proud of its success in the Turkish market, continuing its product and service quality, exporting to more than 82 countries and earning foreing exchange to our country.

Who We Are?

What We Do?

We manufacturer and direct exporter of Bath Mats and Area Rugs in seven different groups; polypropylene, polyester, acrylic and cotton with or without non-slip backing , natural latex backing, dot backing, polyurethane backing and cotton backing.
